c. Grant making policies

Aim to Zero's ("A2Z") core activity is providing grants to charities and individuals. A simple majority of Trustees agreement is required to approve to making of any grants.

Although A2Z's constitution allows it to support a broad range of charitable sectors, the Trustees for the foreseeable future have decided to focus on projects in India aimed at alleviating poverty and hunger and providing basic education. They use their personal contacts and research to identify suitable grantees and the current policy is not to accept or acknowledge unsolicited applications for grants.

Major grantees are required to submit regular progress reports showing how the funds were applied and what the charitable

At Stepping Stones, these children are provided with basic education of reading, writing and drawing, and in addition are also provided training for singing, dancing, etc. LCD provides some physiotherapy support, where needed. A healthy meal is provided to all children attending. At the date of signing of the accounts there are about 90 children enrolled at Stepping Stones.

St Xavier's College (Calcutta) Alumni Association

St Xavier's College, Calcutta has an active Alumni Association. The principal objective of the Association is to organise various activities to raise funds to help alleviate the sufferings of the poor, needy or ailing in the form of provision of scholarships for needy students or medical, nursing, diagnostic or other care for the ailing. The Association also consider funding requests for other forms of community organisations and projects for the development of the weaker sections of society, for improvement of the environment, the general quality of life, for the advancement of education and culture and any other activity beneficial to the local community at large.

The Association is also currently considering sponsorship of one of the buildings in a new educational wing to be built at the Rajarhat Kolkota complex of St Xavier's College. This complex will improve access to education for more students and add to the existing infrastructure of St Xavier's College Kolkota.
